PASSED
"The Board of Regents approves the minutes of its regular meeting of June 5-6, 2014 as presented. This motion is effective September 18, 2014."

Regent Fisher moved, seconded by Regent Enright and passed with Regents Anderson, Brady, Cowell, Enright, Fisher, Heckman, O’Neill, Powers, Wickersham and Jacobson voting in favor that:

PASSED
"The Board of Regents approves the revised minutes of its regular meeting of November 6, 2013 as presented. This motion is effective September 18, 2014."

RATIONALE
At the November 6, 2013 meeting of the full board, Regent Enright stated she is a student at the UAF School of Management, and Regents Fisher and Heckman both noted they have students attending the University of Alaska. All three regents reported conflicts with the tuition rates motion. Due to an oversight, a note for the record was not included in the official minutes approved at the December 12-13, 2013 meeting. Therefore, the official minutes of the November 6, 2013 meeting require a revision to include the following statement on page 3:

Note for the record: Regent Enright is a student at the UAF School of Management, and Regents Fisher and Heckman both have students attending the University of Alaska. All three regents reported conflicts with the tuition rates motion. Because the tuition rate motion is a university-wide issue that equally affects all students, Chair Jacobson determined that any benefits to Regents Enright, Fisher and Heckman were indirect and therefore not substantial and material as prohibited by the Ethics Act.

**RATIONALE/RECOMMENDATION**

President Gamble and Associate Vice President Rizk led a discussion on UA's Proposed FY16 Operating Budget.

The operating budget discussion during the Board of Regents’ (BOR) meeting provided regents with a status of UA’s current operating budget, UA’s proposed FY16 operating budget, and the impact of the high demand program requests on student outcomes and measures. Administration sought BOR feedback on key priorities.
The Proposed FY16 Operating Budget includes the necessary resources to cover adjusted base increases (i.e., contractual and fixed cost increases) plus selective high demand program requests to continue to move UA forward in achieving the intended effects of Shaping Alaska’s Future.

X. First Review of FY16 Capital Budget Request and 10-Year Capital Improvement Plan

POLICY CITATION
Regents' Policy 05.01.01.A. – Budget Policy states: "The budget of the university represents an annual operating plan stated in fiscal terms. All budgetary requests shall be adopted by the board prior to submittal to the Office of the Governor or the legislature."

RATIONALE/RECOMMENDATION
Associate Vice President Rizk and Chief Facilities Officer Duke presented the FY16 Proposed Capital Budget Request and 10-year Capital Improvement Plan.

The capital budget presents the top priority projects for FY16 and an objective look at the short-, mid-, and long-term capital investment goals of the university. The top priority projects call for state investment of approximately $100.6 million. Requests include deferred maintenance and renewal and repurposing funding to complete the UAF Engineering Building, and traffic, parking, and security upgrades on the Anchorage Campus and Prince William Sound College, and for research projects directly related to the Alaskan economy that can be accomplished much more effectively within the UA system.

The goal of the Board of Regents’ University of Alaska FY16-FY25 Capital Improvement Plan is to guide decision making that ensures the necessary facilities, equipment, and infrastructure are in place to support the academic direction of the university system as prescribed in the UA Academic Master Plan, and supports the continuous improvement philosophy found in Shaping Alaska’s Future. The extended capital forecast also permits consideration of the associated future annual operating costs that may be incurred.

XVI. Approval of Tuition Rates for Academic Year 2016

Note for the record: Regent Enright is a student at the UAF School of Management, and Regents Cowell, Fisher, Heckman and Jacobson have immediate family members attending the University of Alaska. All five regents reported conflicts with the tuition rates motion. Because the tuition rates motion is a university-wide issue that equally affects all students and because Chair Jacobson is affected, the unaffected regents voted to permit participation. It was determined by the unaffected regents that any benefits to Regents Cowell, Fisher, Enright, Heckman and Jacobson were indirect and therefore not substantial and material as prohibited by the Ethics Act.

Regent Powers moved, seconded by Regent Cowell and failed with Regents Brady, Cowell, Powers, and Jacobson voting in favor and Regents Anderson, Enright, Fisher, Heckman, Hughes, O’Neill and Wickersham voting in opposition that:

FAILED
"The Board of Regents approves tuition rates for Academic Year 2016 as presented. This motion is effective September 19, 2014."
POLICY CITATION
Regents’ Policy 05.10.01 states: “Recognizing that state general fund support is not sufficient to pay the full cost of education and that students have a responsibility to contribute to the cost of their higher education, tuition and student fees will be established to the extent practicable in accordance with the following objectives: (1) to provide for essential support to the university’s instructional programs; (2) to make higher education accessible to Alaskans who have the interest, dedication, and ability to learn; and (3) to maintain tuition and student fees at levels which are competitive with similarly situated programs of other western states. Tuition revenues will be used primarily to maintain and expand the educational opportunities provided to students, to preserve and improve the quality of existing programs and support services, to respond to enrollment trends, and to implement new programs.”

RATIONALE/RECOMMENDATION
In the president’s April 2014 tuition adjustment notice it was noted that after the legislative session ended, the chancellors and the president would meet to conclude a recommendation for AY2016 tuition rates. Those meetings occurred and resulted in the following recommendation.

In keeping with an attempt for the third year to limit tuition increases to the smallest number possible, but in light of the impact state budget allocations have had on the overall ability to maintain core programs and cover fixed costs, UA administration proposed a tuition increase of 4 percent for all undergraduate and graduate rates of tuition for AY2016. This increase will apply to both resident and non-resident students.

Reference 5 reflects the previously approved AY2015 tuition rates and the proposed increases for AY2016.

The Board of Regents reserves the right to revise tuition rates per Regents’ Policy 05.10.060.E.

XVII. Approval of Academic Degree Recipients

Regent O’Neill moved, seconded by Regent Fisher and passed with Regents Anderson, Brady, Cowell, Enright, Fisher, Heckman, Hughes, O’Neill, Powers, Wickersham and Jacobson voting in favor that:

PASSED
“The Board of Regents approves the list of degree recipients for the summer and fall of 2013 and the spring of 2014. This motion is effective September 19, 2014.”

POLICY CITATION
Regents’ Policy 10.03.010.B. states: “The official lists of degree and certificate recipients will be established by the chancellors immediately after the official
closing date of each term. The combined lists for the spring and preceding fall and
summer terms will be transmitted by the president to the board after the spring
session. This official list of degree and certificate recipients will be presented to

UA Press

Regent Heckman moved, seconded by Regent Powers and passed with Regents
Brady, Cowell, Enright, Fisher, Heckman, Hughes, O’Neill, Powers, Wickersham
and Jacobson voting in favor and Regent Anderson voting in opposition that:

PASSED
“The Board of Regents approves a revision to the FY15 Natural Resources
Fund Budget to include $60,000 for the University of Alaska Press and
directs the president to fund an additional $60,000 from internal sources for
a total of $120,000 for FY15. This motion is effective September 19, 2014.”

POLICY CITATION

university president will present an annual budget to the board for approval.

RATIONALE/RECOMMENDATION
The FY15 Natural Resources Fund Budget was initially presented and approved
at the June 5-6, 2014 board meeting. During the meeting, board members wanted
to know how the UA Press would be funded for FY15. Subsequently, on July 1,

RATIONALE AND RECOMMENDATION

The proposed revisions to the program were initially presented and discussed at the June 5-6, 2014 board meeting. During that meeting, board members raised several concerns or questions which lead to postponing consideration of the recommendation until the September 2014 meeting. Vice President Roy and Associate Vice President Lynch subsequently forwarded a memorandum with six attachments (Reference 6) to the board through President Gamble, which addressed the queries raised at the June 2014 meeting regarding the UA Scholars Program.

The recommendation for the revisions presented above was guided by four principal considerations:

1) Align the UA Scholars Program with the Alaska Performance Scholarship (APS) Program and the priorities of Shaping Alaska’s Future, specifically the recruitment and retention of high achieving students;
2) Encourage students from all across the state to attend and graduate from the University of Alaska;
3) Increase the amount of the award as previously recommended by the Board of Regents and the public; and
4) Keep the cost of the UA Scholars Program within sustainable limits.

Increasing the required minimum credit hours earned per academic year from 24 to 30 credit hours beginning in year two of the award (and continuing in year three and four) addresses better alignment with the APS program and Shaping Alaska’s Future (Theme 1: Student Achievement and Attainment). Students who do not take 30 credits or more annually simply will not graduate in four years.

Requiring incoming scholars to register for classes at UA for the fall semester immediately following high school graduation creates a significant financial incentive ($12,000) to choose UA rather than attend outside or simply skip a year. Of the estimated 550 scholars that attend college outside of Alaska each year or take a year off, only about 50 return to UA. Students who defer attendance for the one year are considered less likely to return to school or graduate in six years.

Increasing the amount of the award from $11,000 to $12,000 ($1,500 per semester) better aligns the program with suggestions by the board and others to increase the amount of the award, yet be financially reasonably and sustainable in the future.

The proposed revisions were reviewed by the chancellors and the president and recommended for approval. Although the revisions may not represent a direct “reduction of benefit,” due to the potential adverse effects on certain individuals, UA administration chose to present the issue to the Board of Regents for formal approval.
