

Minutes for Academic History
July 16, 2007

Attendees: Peter Sommers, Barbara Hegel, Diane Meador, Claudia Wakefield (UAS), Colleen Abrams, Brigitte Mayes (UAF),

1. Updating Curriculum after graduation across MAUs.

The Admissions work team wanted to find out if staff was updating priority of the curricula after graduation for other MAU's programs. UAF and UAS were not changing the priority of the curricula for other MAU's. We decided that for the benefit of the student that after graduation we will update all of the student's curricula priorities regardless of MAU. Meaning if a student graduates with a UAS degree in the first priority and has a UAF program as a second priority, then at the time of graduation and inactivating the student UAS will move UAF's program to the first priority and so forth across all MAUs.

Next meeting: Monday July 30, 2007 at 1:30
