

## Minutes for Academic History team meeting, August 3, 2009

Attended by;

UAS: Peter, Barbara

UAA: Patty

UAF: Colleen, Brigitte, Emily

SW: Jane, Mary

Agenda.

### 1. Review Task requests

SFRNSLC- Melody has been working on this request. She has marked it as a 4 to be tested; none of the users have received word for testing. Jane is going to double check the status. This request should be finished before Banner 8.

SHRRTRO.pc – We decided to move this request to a 0. The request was to look in to sometimes in-progress courses do not show up. It's a known issue that would require completely re-evaluating the written code.

SHR9OMM.pc – We decided to move this request to a 0. The request was to track a third minor. This has been a none issue for all three MAUs.

### 2. Asked by UAF to look in to secondary concentrations not showing up on UAOnline and is there interest for a Change of major workflow.

The UAOnline was working fine so nothing is needed on this. The three MAUs are interested in Emily finding out more about the workflow that Bates College uses for Change of majors and Adding a Minor. This will revisited once we have more information.
