

Academic History Workteam

Meeting Agenda

Tuesday, September 25, 2012

2:00 PM – 3:00 PM

1-800-893-8850 PIN: 6384637

Present: **UAS:** Mae, Peter **UAF:** Lillian, Libby, Susan **UAA:** Lora, Patty **SW:** Mary

1. **TR Priority list:** It was agreed that Academic History would put forward TR 114, TR 95, and TR 118 as those with the highest priority. The other TRs from Academic history (TR 3- needs work; TR 107 should be cancelled; TR 22 can wait until the graduation application is live) were not included.

2. **UAOnline- Student academic transcript listing SO code from SHADEGR**
How do other campuses use the screen- is this an issue? Lillian and Pete discussed how it was not an issue for UAS but that the entry may cause UAF difficulties with the online graduation application. It was agreed this would also be a conversation for the DegreeWorks team.

3. **Other business?** Pete pointed out an issue on UAOnline where advisors using UAOnline could see a link under Faculty & Advisor Student Menu/Advisee Listing a link which must have linked to the old CAPP system. Peter asked if this could be either taken off or if there was a way that an advisor could click the link and have it go directly to the DegreeWorks audit for that student. Peter will bring this up to the DegreeWorks team meeting as well.

Mae asked if anyone had looked at the new feature of AVOW which is a one-step process for transcript recipients. She wants to know more about this and will get more information to share.

Next Academic History meeting: October 9th 2:00PM
