Admissions Work Team Audio 9/24/07

Attendees:

Mat-su-Fran

UAS-Brian, Deema

SW-Mary, Mike

UAA-AI, Charese, Patty

UAF-Lael, Libby

Agenda:

From UAS:

What placement tests are being used at each MAU and branch campus?

UAA-Accuplacer/Compass SAT/SAT for all programs

Matsu-Compass

UAF-Compass (Asset for site campuses) ACT/SAT for 4yr programs

UAS-Compass ACT/SAT for 4year programs

A/I and S/I codes - we are creating SGASTDN records for students
admitted incomplete-why?

UAA would does create a sgastdn currently use the SI code

UAF uses the SI and creates a sgastdn UAF Financial Aid runs a script in order to pay
out aid based on decision codes (AC/SC etc)

Once transcripts are pushed out of the Admissions workflow queue and
have been marked for evaluation, they aren't always going into the
evaluation queue-is this happening with other campuses?

Need further testing (?)

Is UG level on application? Could be the issue-each campus will check and report back.
(mostly transcripts)

Still have issues with test scores not arriving in the queue

UG is stored in the keyword block

TOEFL test vs. the IELTS test

International English Language Testing System

Each campus will investigate this exam and request review and/or approval through
appropriate channels.

From Patty:

Ask team if a visit from OnBase during the F2F meeting would be wanted?

They are offering to be there to gather information and provide feedback.

All agreed this would be a good idea. May need to adjust agenda. Suggest prioritizing items at next audio to be sure we cover most the most important items.

From Libby:

Testing SAR2ADm task requests. UAF has tested and approved

UAS has tested and will reply to SW programmers.
UAA will test by Thursday.

Hope to move to production on Thursday evening.

Opening freeze on Thursday
Review your lists from Yvonne and update by Thursday

Will have further discussion regarding codes at the F2F.

Mike:

Juneau student info for Statewide Viewbook
Nerland agency needs additional student info for profile in viewbook.
Send Mike a list of potential students to contact

Additional item:

Residency questions

Working on wording on res form and reviewing policy and regulations

Preparing for first reading at Regents December meeting

WUE interpretation:

UAA and UAF-students need to be non-resident for two years

UAS requires student be inactive for two years

Next meeting-October 8 at 10:00 am
