1. Fixing checklist errors- UPHS, UCT1 corrections-ready to have programmers convert codes? Not all corrections have been made to the checklist yet. Check on status at next meeting.

2. Reminder: LRGP refresh June 1st.

3. Inaccurate test scores-email sent from Jane re: Maximum and minimum composite test scores Asked to test, but don't have access to the screens listed in Jane's email. Crystal and Libby will schedule a conference call with Jane.

4. PFD status update-Programmers working on a field in SAAADMS that will verify PFD status. Most likely a check box PDF Eligible (?) yes/no. Hope to have this in place before beginning of Fall semester.

Due to Memorial Day Holiday our next meeting will be Monday June 8 @ 10:00am
