1. *SR fix for web applications. Please create applications in LRGP to test*
Need to make sure new version will not impact how we process web applications-please submit several apps from your campus in LRGP and then push them. Email approval/disapproval to the team by Thursday morning so this fix can be applied on Friday.
2. *SOR9SRP, Admissions High School Report*
Questions regarding this report and what fields data is being pulled from-Peggy will compile list of items we'd like this report to provide and Libby will set up conference call with Jane.
3. *Clean Address update*
Waiting for SW to make updates then Crystal will retest

NEXT MEETING is MONDAY November 15 @ 10:00
