Agenda:

- 1) Students using SSN as their admitt ID – 26 so far this year, put message at UAOnline
- 2) Retrieval of incoming transcripts from Parchment Exchange Docufide set up our system w/ separate login for each campus, UAF handling all. Has not happened yet. Can the other universities pull down their own? UAS – yes. Was supposed to feed directly into OnBase, does not seem to be a priority. The feed was only looking for HS transcripts. They started sending college w/out metadata, process broke. Docufide became Parchment. Feed was supposed to go direct into OnBase. Divide the work, also need to fix the process. Task request to EMIT. UAF will continue doing it for approx. 3 weeks more.
- 3) Electronic AP score delivery at UAF UAF will be receiving score electronically. Transfer credit still has a need to see the file in OnBase, part of the student's record. Expected to save quite a bit of time, sharing in case UAA/UAF interested.
- 4) TR 301/307 – Was split into two, resend to the BST
