Thanks for meeting today. Here are the notes from our brief meeting. :)

UAA - Kate M. is due in mid-October. She will not be able to do a Kenai trip this fall. Amy B. does plan to go to Kenai. UAS?

UAA Mat-Su - Amy is updating her counselor contacts and will be visiting high schools this fall.

UAF - We have a travel budget! Caitlin will be in touch soon with details for her out of state travel.

**SW initiatives:**

- We'll want to get the emails going out to the high school counselors through the Outreach-L listserv beginning sometime after Labor Day. Lael will ask SW if they are interested in sending the first email.

UAF has an updated counselor list which we will share within the system. Please send me updates to counselor contacts so that I can make sure the list is accurate before I send it out.
