

EMAS Work Team Audio

2012-09-11

10:00 – 11:00am

Audio # 1-800-893-8850

Audio code 3178469

Present: Winston, Crystal, Julie

Agenda:

EMAS 9 Updates– From Winston UAA– EMAS 9 on test – working good. He is now waiting for information from Education systems regarding the Banner file and loading to EMAS 9.

From Crystal UAF – will be doing the upgrade – EMAS8 is sunset at the end of this year – no more support.

From Julie UAS – EMAS 9 working ok – Historical data needs to be tweaked because of some Banner coding changes.

Banner Updates - No

Web 4 Prospect Updates - No

Clean Address Updates – No

Banner Testing – DBEU upgrade – Julie testing – Kim has been doing for UAF. Just need to finish up some pop-sel and letter gen and we will be done.
