

PROPOSED REVISIONS with TRACK CHANGES

P09.04.030. Composition of Education Records.

- A. Education records are those records directly related to a student and maintained by the university. Education records may be located in several different offices, depending upon the type of record. Education records include, but are not limited to:
1. academic evaluations, including student examination papers, transcripts, test scores, **graduate advisory committee reports when applicable**, and other academic records;
 2. general advising records;
 3. disciplinary records;
 4. financial aid records, including student loan collection records; and
 5. employment records of students whose employment is contingent on their status as students, for example, work-study.
- B. Documents and materials not considered part of the education record will be established by the president in university regulation.
