CERTAIN QUALIFIED STATUS CHANGES:

An employee who experiences one of the Qualified Status Changes listed below may make the following election changes without providing evidence of insurability, provided enrollment is made within 31 days of the status change:

An insured employee.

General Information

What is your agreement with us?

If you meet the eligibility and enrollment requirements, you are insured under the group policy shown on the specifications page. Your application as defined under this certificate is a part of this certificate. This certificate summarizes the principal provisions of the group policy that affect your life insurance coverage. The provisions summarized in this certificate are subject in every respect to the group policy.

Any statements made in your application as defined in this certificate will, in the absence of fraud, be considered representations and not warranties. Also, any statement made will not be used to void your insurance nor defend against a claim unless the statement is contained in the application.

Can this certificate be amended?

Yes. We retain the right to amend this certificate at any time without your consent. Any amendment will be without prejudice to any claim incurred for benefits prior to the date of the amendment.

Who is eligible for insurance?

You are eligible if you:

- (1) are a member of the eligible group and of an eligible class as shown on the specifications page; and
- (2) work for the employer for at least the number of hours per week shown as the minimum hours per week requirement on the specifications page; and
- (3) have satisfied the waiting period as shown on the specifications page; and
- (4) meet the actively at work requirement as shown in the section entitled "What is the actively at work requirement?".

Are retired employees eligible for insurance?

No. A retired employee is not eligible for insurance under this policy.

What is the actively at work requirement?

To be eligible to become insured or to receive an increase in the amount of insurance, you must be actively at work, fully performing your customary duties for your regularly scheduled number of hours at the employer's normal place of business, or at other places the employer's business requires you to travel.

If you are not working due to illness or injury you do not meet the actively at work requirement. If you are receiving sick pay, short-term disability benefits or long-term disability benefits, you do not meet the actively at work requirement.

If you are not actively at work on the date coverage would otherwise begin, or on the date an increase in your amount of insurance would otherwise be effective, you will not be eligible for the coverage or increase until you return to active work. However, if the absence is on a non-work day, coverage will not be delayed provided you were actively at work on the work day immediately preceding the non-work day.

Except as otherwise provided for in this certificate, you are eligible to continue to be insured only while you remain actively at work.

Any insurance or increase in insurance which is elected or put in force while you are not actively at work will not be eligible for claim payment. You will receive a refund of premium for any contributory insurance for which you were not eligible.

When will we require evidence of insurability?

The specifications page describes when evidence of insurability is required.

When does insurance become effective?

Insurance becomes effective on the date that all of the following conditions have been met:

- (1) you meet all eligibility requirements; and
- (2) for contributory insurance, you apply for the insurance in accordance with the application methods agreed upon by the policyholder and us; and
- (3) we are satisfied with your evidence of insurability, if we require evidence.

Can your coverage be continued during sickness, injury, leave of absence or temporary layoff?

Yes. Insurance may be continued on an insured employee who is not actively at work due to sickness, injury, leave of absence or temporary layoff, subject to the employer's practices and procedures, including the employer's limits on the length of continuation allowed for the type of absence. Continuation is contingent upon continued premium payment and is subject to the following maximum time frames:

- (1) if you are on sabbatical or other leave of absence, and you are receiving at least one-quarter of your annual earnings paid to you immediately prior to the start of the leave, your life insurance cannot be continued beyond 24 months from the last day you were actively at work.
- (2) if you are on non-medical leave of absence or temporary layoff, insurance cannot be continued

beyond 12 months from the last day you were actively at work.

- (3) if you are on a family or medical leave of absence, and continuation of insurance is required by a state-mandated family or medical act or law, your insurance cannot be continued beyond the later of 18 weeks or the period required by the state act or law.

Coverage during a leave of absence and upon return from a leave of absence shall meet all state and federal requirements. The above limits will be expanded if necessary in order to meet such requirements.

Premiums

When and how often are your premium contributions due?

Unless the policyholder and we have agreed to some other premium payment procedure, any premium contributions you are required to make for contributory insurance are to be paid by you to the policyholder on a regular, periodic basis. We apply premiums consecutively to keep the insurance in force.

How is the premium determined?

The premium will be the applicable premium rate multiplied by the number of \$1,000 units of insurance in force on the date premiums are due. The premium may also be computed by any other method on which the policyholder and we agree.

Premium rates are subject to change according to the provisions of the group policy.

Death Benefit

What is the amount of the death benefit?

The amount of the death benefit is equal to the amount of insurance for which you are insured, based on the plan of insurance applicable to your class as described on the specifications page, and your elections.

Can you request a change in the amount of your contributory insurance?

Yes. The specifications page describes when changes can be requested, when evidence of insurability will be required for such changes, and when the changes will become effective.

When will the death benefit be payable?

We will pay the death benefit upon receipt at our home office of written proof satisfactory to us as to both substance and form that you died while insured under this certificate. All payments by us are payable from our home office. The death benefit will be paid in a single sum or by any other method agreeable to us and the beneficiary.

To whom will we pay the death benefit?

We will pay the death benefit to the beneficiary or beneficiaries. You name a beneficiary to receive the death benefit to be paid at your death. You may name one or more beneficiaries. You can change the beneficiary designation at any time, provided all of the following are true:

- (1) your coverage is in force; and
- (2) we have written consent of all irrevocable beneficiaries; and
- (3) you have not assigned the ownership of your insurance.

A beneficiary designation must be made in writing or by any other method made available under the plan. Any beneficiary designation shall take effect as of the date it is signed, but will not affect any payment we make or action we take before receiving the designation.

You may also choose to name a beneficiary that you cannot change without the beneficiary's consent. This is called an irrevocable beneficiary.

If there is more than one beneficiary, each will receive an equal share, unless you have requested another method in your beneficiary designation. To receive the death benefit, a beneficiary must be living at the time of your death. In the event a beneficiary is not living at the time of your death, that beneficiary's portion of the death benefit shall be equally distributed to the remaining surviving beneficiaries. In the event of the simultaneous deaths of you and a beneficiary, the death benefit will be paid as if you survived the beneficiary.

If there is no eligible beneficiary, or if you do not name one, we will pay the death benefit to:

- (1) your lawful spouse if living; otherwise
- (2) your natural or legally adopted child (children) in equal shares, if living; otherwise
- (3) your parents in equal shares, if living; otherwise
- (4) your natural or legally adopted siblings in equal shares, if living; otherwise
- (5) your estate.

Termination

When does your coverage terminate?

Your coverage ends on the earliest of the following:

- (1) the date the group policy ends; or
- (2) the date you no longer meet the eligibility requirements; or
- (3) the date the group policy is amended so you are no longer eligible; or
- (4) 31 days (the grace period) after the due date of any premium contribution which is not paid; or
- (5) the last day for which premium contributions have been paid following your written request to cease participation under this certificate.

Can your insurance be reinstated after termination?

Yes. When your coverage terminates because you are no longer eligible, and you become eligible again within 10 days after the date your coverage under this certificate terminated, your prior coverage may be reinstated, without evidence of insurability. If you die prior to our receipt of your reinstatement application and the required premium, no benefit will be paid.

When does the group policy terminate?

The policyholder may terminate the group policy by giving us 31 days prior written notice. We reserve the right to terminate the group policy on the earlier of the following to occur:

- (1) 31 days (the grace period) after the due date of any premiums which are not paid; or
- (2) 31 days after we provide the policyholder with notice of our intent to terminate the group policy.

Conversion Right

What is the conversion right?

You may be able to convert this insurance to a new individual life insurance policy if all or part of your life insurance under the group policy terminates due to the reasons listed below.

What is the full conversion right?

You may convert up to the full amount of terminated insurance if termination occurs because of termination of employment or of membership in the class or classes eligible for coverage.

What is the limited conversion right?

Limited conversion is available if, after you have been insured for at least five years, insurance is terminated because:

- (1) the group policy is terminated; or
- (2) the group policy is changed, by amendment or otherwise, to reduce or terminate your insurance.

For a limited conversion, you may convert an amount up to the lesser of:

- (1) \$10,000; and
- (2) the amount of life insurance which terminated minus any amount of group life insurance for which you become eligible under any group policy issued or reinstated by us or any other carrier within 31 days of the date your insurance terminated under the group policy.

When is conversion not available?

Neither the full conversion right nor the limited conversion right is available if your coverage under the group policy

terminates due to failure to make, when due, required premium contributions.

To what type of policy may you convert?

Under both the full conversion right and the limited conversion right, you may convert your insurance to any type of individual policy of life insurance then customarily issued by us for purposes of conversion, except term insurance. The individual policy will not include any supplemental benefits, including, but not limited to, any disability benefits or accidental death and dismemberment benefits.

How do you convert your insurance?

You convert your insurance by applying for an individual policy and paying the first premium within 31 days after the date your group insurance terminates. No evidence of insurability will be required.

How is the premium for the individual policy determined?

The premium for the individual policy is based upon the individual policy type, risk class, coverage amount and your age on the date of conversion.

When is the individual policy effective?

The individual policy takes effect 31 days after the group insurance provided under the group policy terminates.

What happens if you die within 31 days of when your group insurance terminates?

If you die within 31 days of when your group insurance terminates, and meet the conversion eligibility requirements, we will pay a death benefit regardless of whether or not an application for coverage under an individual policy has been submitted. The death benefit will be the amount of insurance you would have been eligible to convert under the terms of the conversion right section. If you have completed a conversion application, we will pay the beneficiary designated on the conversion application. If you have not completed a conversion application, we will pay the beneficiary under your group insurance coverage.

We will return any premium you paid for an individual policy converted from this group insurance to your beneficiary as described above. In no event will we be liable under both the group policy and the individual policy.

Additional Information

What if your age has been misstated?

If your age has been misstated, the death benefit payable will be that amount to which you are entitled based on your correct age. A premium adjustment from any benefit payable will be made so that the actual premium required at your correct age is paid. If your correct age is such that no benefit is payable, you will receive a refund of premium for the period your eligibility would have ended.

Is there any cash value to this coverage?

No. This is term life insurance and it does not build cash value.

What is the suicide limitation?

If you, whether sane or insane, commit suicide within two years from the effective date of any contributory life insurance, our liability with respect to that coverage will be limited to an amount equal to the premiums paid for the coverage.

If there has been an increase in your amount of contributory life insurance for which you were required to apply or for which we required evidence of insurability, and if you die by suicide within two years of the effective date of the increase, our liability with respect to that increase will be limited to the premiums paid and attributable to such increase.

Can your insurance coverage be contested?

Yes. If you die, or sustain a loss under one of your certificate supplements, within two years of your original effective date of coverage or increase in coverage, we will verify the accuracy of the information provided by you during the application process. If we discover a material misrepresentation, your coverage will be rescinded and an otherwise valid claim will be denied. This two year period can be extended for fraud or as otherwise allowed by law.

Any statements you make in your application as defined under this certificate will, in the absence of fraud, be considered representations and not warranties. Also, any statement you make will not be used to void your insurance, nor defend against a claim, unless the statement is contained in the application.

Who is the owner of this coverage?

Unless assigned otherwise, you, the insured employee, are the owner of all coverage provided under your certificate. Only the owner has the right to exercise ownership rights under the certificate, including but not limited to naming or changing a beneficiary, changing the amount of insurance, assigning any or all ownership rights, converting coverage to an individual policy and terminating the coverage.

Can your insurance be assigned?

Yes. However, we will not be bound by an assignment of the certificate or of any interest in it unless it is made as a written instrument, and you file the original instrument or a certified copy with us at our home office, and we send you an acknowledged copy.

We are not responsible for the validity of any assignment. You are responsible for ensuring that the assignment is legal in your state and that it accomplishes your intended goals. If a claim is based on an assignment, we may require proof of interest of the claimant. A valid assignment will take precedence over any claim of a beneficiary.

Can a change in ownership for a certificate be requested?

No. A change in ownership is not allowed under this certificate.

Is the policyholder required to maintain records?

Yes. The policyholder is required to maintain adequate records of any information necessary for us to administer the group policy, and shall provide access to such records when required for us to administer the policy.

If an administrative or clerical error is made in keeping records on or administering the insurance under the group policy, it will not affect otherwise valid insurance. A clerical or administrative error, however, does not continue insurance which is otherwise stopped, make insurance effective when it should not have been or change the amount of insurance provided by the provisions of the policy and no claim shall be paid on amounts put into effect as a result of a past clerical or administrative error. If an error causes a change in premium payment, a fair adjustment will be made.

Will the provisions of this certificate conform with state law?

Yes. If any provision in this certificate, or in the provisions of the group policy, is in conflict with the laws of the state governing the certificates or the group policy, the provision will be deemed to be amended to conform to such laws.

What is the policy interpretation right and authority?

The following applies only when the administration of the policy is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq.:

Securian Life has the exclusive right and authority, in its sole discretion, to interpret the group policy and decide all matters arising thereunder. Securian Life's exercise of that authority shall be conclusive and binding on all persons unless it can be shown that the determination was arbitrary and capricious.

Accelerated Benefits Certificate Supplement

Securian Life Insurance Company
400 Robert Street North • St. Paul, Minnesota 55101-2098

Benefits received under this Accelerated Benefits Certificate Supplement may be taxable. You should seek assistance from a personal tax advisor prior to requesting an accelerated payment of death benefits.

- (2) you have not assigned and are the sole owner of the certificate; and
- (3) the certificate does not have an irrevocable beneficiary.

General Information

This supplement is subject to every term, condition, exclusion, limitation, and provision of the certificate unless otherwise expressly provided for herein.

What does this supplement provide?

This supplement provides for the accelerated payment of either the full or a partial amount of an insured's death benefit provided under your certificate. If an insured has a terminal condition as defined in this supplement, you may request an accelerated payment of the applicable death benefit. An accelerated payment will not include any accidental death or dismemberment benefit payable under an Accidental Death and Dismemberment Certificate Supplement. You must give notice of claim while living and while your life insurance coverage is in force to be eligible for consideration of an accelerated benefit.

What is a terminal condition?

A terminal condition is a condition caused by sickness or accident which directly results in a life expectancy of 12 months or less. We must be given medical evidence in substance and in form that satisfies us that the insured has a terminal condition. That evidence must include certification by a physician. For purposes of this supplement, a physician is an individual who is licensed to practice medicine or treat illness in the state in which treatment is received. The physician cannot be you or your spouse/domestic partner, children, parents, grandparents, grandchildren, brothers or sisters; or the spouse of any such individuals.

Accelerated Benefit

Who may request an accelerated payment of the death benefit?

You may request an accelerated payment of the insurance on your life.

When can an accelerated benefit be requested?

An accelerated benefit can be requested any time, provided the following conditions are met:

- (1) the insurance is in force and all premiums due are fully paid; and

Is there a minimum or maximum death benefit eligible for an accelerated benefit?

Yes. The minimum death benefit to be eligible for an accelerated benefit under this supplement is \$10,000. The maximum death benefit that can be accelerated is \$1,000,000.

Is a partial accelerated benefit available?

Yes. You may choose to accelerate only a portion of your death benefit, providing the remaining amount of insurance is at least \$25,000. This is called a partial accelerated benefit.

You may reapply for the payment of the remaining amount of insurance at any time. However, the total amount of the death benefit for all accelerated benefit payments for you cannot exceed \$1,000,000. We may ask for further evidence satisfactory to us in substance and in form that you meet all requirements for the accelerated benefit.

When will we pay an accelerated benefit?

We will pay an accelerated benefit upon receipt at our home office of written proof satisfactory to us in substance and in form that you meet the requirements herein.

The accelerated benefit will be paid in a single sum or by any other method agreeable to you and us.

To whom will we pay accelerated benefits?

We will pay the accelerated benefit to you unless you validly assign it otherwise. If you die before we issue payment of an accelerated benefit to you, we will pay the life insurance benefits to your life insurance beneficiary(s).

What is the effect on the insured's coverage of the receipt of an accelerated benefit?

If you elect to accelerate the full amount of your death benefit, your coverage and all other benefits under the certificate and any certificate supplements for you will end.

If a partial accelerated benefit is chosen, coverage will remain in force and premiums will be reduced accordingly. The remaining amount of insurance under the certificate will be the full amount of insurance minus the amount of insurance that was accelerated.

Termination

When does an insured's coverage under this supplement terminate?

An insured's accelerated benefits coverage terminates on the earliest of:

- (1) the date you are no longer insured for life insurance under the certificate; or
- (2) the date the accelerated benefits coverage is terminated for the policyholder's plan; or
- (3) the date the group policy is terminated.

Additional Information

Is the request for an accelerated benefit voluntary?

Yes. An accelerated benefit will be made available on a voluntary basis only. An accelerated benefit under this supplement is not intended to cause an involuntary reduction of the death benefit ultimately payable to the beneficiary. Therefore, an accelerated benefit is not available if you:

- (1) are required by law to use this option to meet the claims of creditors, whether in bankruptcy or otherwise; or
- (2) are required by a government agency to use this option in order to apply for, obtain, or keep a government benefit or entitlement.

Do we have the right to obtain independent medical verification?

Yes. Although you are responsible for submitting proof satisfactory to us that you meet the requirements for the accelerated benefit, we do retain the right to have an insured medically examined at our expense to verify the insured's medical condition. We may do this as often as reasonably required while an accelerated benefit is being considered or paid.

Portability Certificate Supplement

Securian Life Insurance Company
400 Robert Street North • St. Paul, Minnesota 55101-2098

General Information

This certificate supplement is issued in consideration of the required premium and is subject to every term, condition, exclusion, limitation and provision of the certificate unless otherwise expressly provided for herein.

What does this supplement provide?

This supplement provides for continuation of insurance if an insured no longer meets the eligibility requirements of the certificate, except as provided for herein.

To continue insurance, the insured must make a written request and make the first premium payment within 31 days after insurance provided by the group policy would otherwise terminate. Evidence of insurability will not be required. Coverage provided by this supplement will be effective the date we receive the completed application. This date is considered to be the insured's portability date and the insured is then considered to have portability status.

Who is eligible to continue insurance under this supplement?

An insured employee is eligible to continue group life insurance under the terms of this supplement if he or she no longer meets the eligibility requirements of the certificate due to any of the following:

- (1) the employee terminates employment, including retirement; or
- (2) the employee is no longer in a class eligible for insurance or is on a leave or layoff; or
- (3) a class or group of employees insured under the policy is no longer considered eligible and there is no successor plan for that class or group. Successor plan means an insurance policy or policies provided by us or another insurer that replaces insurance provided under this policy.

An insured will not be eligible to request coverage under this supplement if he or she:

- (1) has attained the age of 70; or
- (2) has converted his or her insurance to an individual life policy under the terms of the certificate's conversion right section; or
- (3) is an employee and was not actively at work due to sickness or injury on the date immediately preceding his or her portability date; or
- (4) loses eligibility due to termination of the group policy.

What insurance can be continued under this supplement?

Contributory and noncontributory insurance may be continued under this supplement.

An insured may also continue coverage under all certificate supplements which apply to his or her contributory insurance and by which he or she was insured immediately preceding his or her portability date, except the Waiver of Premium Certificate Supplement, which shall terminate upon porting.

Is there a minimum amount of insurance that can be continued under this supplement?

Yes. The minimum amount of insurance that can be continued on an employee's life under this supplement is \$10,000.

Is there a maximum amount of insurance that can be continued under this supplement?

Yes. The maximum amount of insurance that can be continued under this supplement is the amount of insurance that was in force on the insured's portability date, but not more than \$450,000 for an employee. However, for an insured age 65 or older on his or her portability date, the amount will not be more than \$292,500 for an employee.

Will the amount of insurance continued under this supplement change?

Yes. On the first day of the month following the date an insured attains age 65, the amount of insurance on his or her life continued under this supplement will reduce to 65% of the amount of insurance in force on the day prior to attainment of age 65. Insurance terminates at age 70.

Can an insured request a change in the amount of insurance continued under this supplement?

Yes. An insured may elect to reduce the amount of insurance on his or her life, subject to the minimum amount. The amount of insurance continued under this supplement will never increase.

How will premium contributions be paid?

Premium contributions will be paid directly to us on a monthly, quarterly, semi-annual, or annual basis and will be subject to an administrative charge per billing period. We may adjust the amount of the charge, but not more often than once per year.

Can the premium rate change?

Yes. The premium rate may increase on the portability date. The premium rate may also increase in the future.

Can insurance continued under this supplement be converted to a policy of individual insurance?

Yes. At any time after insurance has been continued under the provisions of this supplement, but not beyond 31 days after coverage terminates under the provisions of this supplement, it may be converted to a policy of individual insurance with us. All other conditions and provisions of the conversion right section of the certificate to which this supplement is attached will apply. Coverage cannot be continued under both this supplement and the conversion privilege.

What happens if an insured again becomes eligible under the certificate?

If an insured is continuing coverage under the terms of this supplement, and again meets the eligibility requirements of the certificate, the insured shall no longer be considered to have portability status, ported coverage will terminate and only one death benefit will be paid under the coverage. Insurance may be continued only under the terms of the certificate, not including this supplement unless and until the insured no longer meets the eligibility requirements of the certificate and again return to portability status as provided for herein.

What happens to insurance provided under this supplement when the group policy terminates?

Anything in the group policy notwithstanding, termination of the group policy will not terminate life insurance then in force for any person under the terms of this supplement. The group policy will be deemed to remain in force solely for the purpose of continuing such insurance, but without further obligation of the policyholder.

Any insurance continued under the terms of this supplement will remain in force until terminated by the provisions of the section entitled "When will insurance continued under this supplement terminate?".

No individual may elect coverage under this supplement on or after the date of termination of the group policy.

When will insurance continued under this supplement terminate?

Insurance being continued under this supplement will terminate on the earliest of the following:

- (1) the insured's 70th birthday; or
- (2) the date the insured again meets the eligibility requirements of the certificate, not including the terms of this supplement; or
- (3) 31 days after the due date of any premium contribution which is not made; or
- (4) the date an insured requests to terminate his or her coverage being continued under this supplement; or
- (5) the date the group policy is terminated.

Waiver of Premium Certificate Supplement

Securian Life Insurance Company
400 Robert Street North • St. Paul, Minnesota 55101-2098

General Information

This certificate supplement is subject to every term, condition, exclusion, limitation, and provision of your certificate unless otherwise expressly provided for herein. Coverage under this supplement will not be included in any insurance issued under the conversion right section of your certificate.

The specifications page indicates to what insurance this supplement applies. This supplement does not apply to you if you have portability status.

What does this supplement provide?

This supplement provides for waiver of premium if you become totally and permanently disabled, as defined herein, while under age 60. Upon approval of proof of such disability, your insurance, including all supplements to your certificate, except the Portability certificate supplement, which were in force on the date of the onset of your disability, will be continued in force without payment of premiums during the uninterrupted continuance of the total and permanent disability.

What is total disability?

Total disability is a disability which occurs while your insurance is in force and which results from an accidental injury or an illness that continuously prevents you from engaging in any occupation for which you are reasonably suited by education, training, or experience on a full or part time basis. You must be under the care of a licensed physician. The licensed physician cannot be you or a member of your immediate family. For purposes of this supplement, your immediate family consists of your spouse/domestic partner, children, parents, grandparents, grandchildren, brothers and sisters, and their spouses.

What is permanent disability?

Permanent disability is a total disability which has existed continuously for at least six months.

What if you convert your group life insurance to a policy of individual insurance prior to the approval of your disability claim?

If your coverage has been converted in accordance with the conversion right section of your certificate, benefits under this supplement will apply only if the converted policy is surrendered without claim, except for refund of premiums. You cannot have coverage under both policies and only one death benefit will be available.

What will be considered due proof of total and permanent disability?

You must furnish evidence satisfactory to us as to both substance and form that your disability:

- (1) commenced while your insurance under your certificate was in force; and
- (2) meets the definition of total disability; and
- (3) commenced before your 60th birthday; and
- (4) was continuous for six months or more.

We will, from time to time, also require additional proof satisfactory to us that you continue to be totally and permanently disabled. After you have provided at your expense the requested claim forms and records, we may also require that you submit to one or more medical examinations at our expense.

If you die within one year of the date of onset of your total disability, your beneficiary may claim benefits under this supplement even if your premium payments were discontinued and you had not submitted due proof satisfactory to us of your total disability or you were continuously disabled for less than six months. Your beneficiary must submit due proof satisfactory to us that your total disability, which began before premium payments on your behalf were discontinued and before your 60th birthday, continued without interruption until your death.

When must we be notified of your disability or death?

We must receive written notice at our home office of your total disability within one year of the date of onset of such disability. However, failure to give notice within the time provided will not invalidate the claim if it is shown that notice was given as soon as reasonably possible.

We must receive written notice at our home office within one year of death that you died during a period of continuance provided by this supplement. Proof must be furnished that you continued to be totally disabled during the entire period of continuance until death. If such notice and proof are not provided within the required time frame, there shall be no liability for any payment under this supplement. However, failure to give notice within the time provided will not invalidate the claim if it is shown that notice was given as soon as reasonably possible.

What is the amount of insurance to be continued without payment of premium under this supplement?

The amount of insurance continued without payment of premium shall be the amount of insurance that was in force on the date of onset of total disability.

If the group policy provides for reductions in amounts of insurance based on age or retirement, such reductions shall apply to your insurance while disabled.

How long will insurance be continued without payment of premium?

If you become totally and permanently disabled, insurance will be continued, without payment of premium, until the earliest of:

- (1) your 65th birthday; or
- (2) the date you recover so that you are no longer totally and permanently disabled; or
- (3) the date you fail to furnish proof of continued disability when requested or you refuse to submit to a required medical examination.

What happens to your insurance when the waiver of premium benefit ends?

When the benefits under this supplement end according to the provisions of the section entitled "How long will insurance be continued without payment of premium?," the following will apply:

- (1) If you are then eligible for coverage under your certificate, your insurance may be continued under your certificate provided that premiums are paid. The first such premium payment must be made within 31 days of the date the waiver of premium benefit ends.

- (2) If you are no longer eligible for coverage under your certificate, you may convert coverage to an individual policy, as provided for under the conversion right section of your certificate.

Your insurance will end unless, within 31 days of the date benefits under this supplement end, premium payments on your behalf are resumed or you apply to convert your coverage.

Termination

When does your coverage under this supplement terminate?

Your waiver of premium coverage terminates on the earliest of:

- (1) the date you are no longer insured for life insurance covered by this supplement; or
- (2) the date requested by the policyholder to cancel the Waiver of Premium coverage for its plan; or
- (3) the date the group policy is terminated.

Insurance being continued without further payment of premiums in accordance with the provisions of this supplement will not end due solely to the termination of the Waiver of Premium coverage or of the group policy.

Notice

Securian Life Insurance Company
400 Robert Street North, St. Paul, MN 55101-2098

SUMMARY CONCERNING COVERAGE, LIMITATIONS, AND EXCLUSIONS UNDER THE ALASKA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

A resident of Alaska who purchases life insurance, annuities, or accident and health insurance should know that an insurance company licensed in this state to write these types of insurance is a member of the Alaska Life and Health Insurance Guaranty Association. The purpose of this association is to assure that a policyholder will be protected within statutory limits if a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through the guaranty association is not limited. This protection is not a substitute for your care in selecting a company that is well managed and financially stable.

The state law that provides for this safety net coverage is called the Alaska Life and Health Insurance Guaranty Association Act. The full text of the act can be found in AS 21.79.010 – 21.79.990. Provided below is a brief summary of this law's coverages, exclusions, and limits. This summary does not cover all provisions of the law, nor does it in any way change your rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, an individual will be protected by the life and health insurance guaranty association if the individual lives in Alaska and holds a life or health insurance contract or annuity contract, or if the insured is insured under a group insurance contract issued by a member insurer. The beneficiary, payee, or assignee of an insured person is protected as well, even if a non-resident of Alaska.

EXCLUSIONS FROM COVERAGE

The association does not protect a person holding a policy if:

- the individual is eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state; or
- the policy is issued by an organization that is not a member of the Alaska Life and Health Insurance Guaranty Association.

The association does not provide coverage for:

- a policy or a portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- a policy of reinsurance (unless an assumption certificate was issued);
- an interest rate yield that exceeds an average rate;
- a dividend;
- a credit given in connection with the administration of a policy by a group contract holder;
- an employer's plan to the extent that it is self-funded (that is, not insured by an insurance company, even if an insurance company administers the plan);
- an unallocated annuity contract issued to an employee benefit plan protected under the United States Pension Benefit Guaranty Corporation;
- that part of an unallocated annuity contract not issued to a specific employee, union, association of natural persons benefit plan, or a government lottery;
- any portion of a policy or contract to the extent that the required assessments are preempted by federal or state law;
- an obligation that does not arise under the express written terms of the policy or contract issued by the insurer;
- certain obligations to provide a book value accounting guaranty for defined contribution benefit plan participants; or
- that part of a policy or contract that provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay. The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, no matter how many policies or contracts were issued by the same company, even if such contracts provided different types of coverages, the association will pay a maximum of:

- \$300,000 in net life insurance death benefits and no more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance;
- for health insurance benefits, \$100,000 for coverages not defined as disability income, health benefit plans or long-term care insurance, including any net cash surrender and net cash withdrawal values;
- \$300,000 for disability income insurance and long-term care insurance;
- \$500,000 for health benefit plans;
- \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal value;
- with respect to a structured settlement annuity, \$250,000 in present value annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values;
- \$250,000 in the aggregate, of present-value annuity benefits, including net cash surrender and net cash withdrawal values with respect to an individual participating in a governmental retirement plan established under 26 U.S.C. 401, 26 U.S.C. 403(b), or 26 U.S.C. 457 and covered by an unallocated annuity contract, or to a beneficiary of the individual if the individual is deceased; or
- \$5,000,000 in unallocated annuity contract benefits, irrespective of the number of contracts held by that contract holder, with respect to any one contract holder or plan sponsor whose plan owns, directly or in trust, one or more unallocated annuity contracts.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DA Cs, etc.) covered by the act; for unallocated annuities that fund governmental retirement plans under sections 401(k), 403(b), or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of \$5,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases the contract limits also apply.
