

## CURRENT LANGUAGE WITH TRACK CHANGES for PROPOSED CHANGES

**P10.06.010. Academic Program Review.**

- A. In accordance with P10.04.020, it is the responsibility of the board to review and cause the initiation, augmentation, reduction or discontinuance of programs according to the mission of the university and its constituent institutions. This includes a degree or certificate program approved by the board.
- B. Each MAU will conduct assessments of all instructional, research, and service programs with respect to quality, efficiency, and contribution to mission and goals. Assessments of instructional programs will include analysis of educational effectiveness as an essential part of the ongoing continuous improvement and accreditation processes. Assessments will be conducted at a minimum of every ~~five~~ ~~seven~~ years. Occupational endorsements and workforce credentials approved by the president will be subject to review at the MAU level.
- C. Exceptional reviews may be conducted as needed, to respond to issues including but not limited to specific academic or budgetary concerns. An expedited review process tailored to the particular circumstances shall be used for exceptional reviews.
