

Number of Course Transfer Attempts

Average Course Transfer Acceptance Rate FY09 – FY13

Intra-UA Course Transfer Attempts with Course Grade of D- or Above, FY13

Total Attempts	10,886	100.0%
Successful	10,743	98.7%
Not Successful	143	1.3%

Reasons UA Courses Do Not Transfer

Total Courses Not Transferred, FY13	143	100.0%
4 credit lab science course versus two courses (3 credit lecture + 1 lab credit). These did transfer.	116	81.1%
Student took same course multiple times and record with highest grade transferred	12	8.4%
With a course grade of D- to C-	7	4.9%
With a course grade of C or higher that later transferred in FY14	4	2.8%
Course did not transfer because content outdated (e.g. 20 year old keyboarding course)	4	2.8%

Remaining Challenges

The following may be areas of student complaints about transfers:

- For successful intra-UA course transfers, to what degree requirement does each course apply?
 - General Education, Course Prerequisite, Major Requirement or Elective?
- How many students encounter “the petition”? Need to quantify

→ VPAA will continue to press on these issues
