### Resolution 2016-02 Recommendation on Tuition

**Whereas,** The University of Alaska is suffering severe economic shortfalls and budget cuts, and;

**Whereas,** Immediate action is necessary to keep these budget cuts from threatening the quality and quantity of programs offered to students, and;

**Whereas,** These budget cuts could even threaten the existence of the University if unaddressed, now;

**Therefore be it resolved,** That the Coalition of Student Leaders, recommends that tuition be raised at an even rate for all students across all course levels, and be it further;

**Resolved,** That the Coalition of Student Leaders, while acknowledging the general undesirability of tuition increases, understands Alaska's harsh economic reality and supports the Board of Regents in raising tuition by a reasonable degree.

**Adopted by the Coalition of Student Leaders the 30<sup>th</sup> day of October, 2015**
