HR Updates to Communicate  
as of 7/20/2018

Statewide Human Resources is striving to make improvements to the HR System, benefits and procedures to better help employees. Here is an update on system wide projects that are currently in process. We are working on the details of these projects and communication will be sent to those directly impacted prior to the effective date of the change. To see previous versions of this communication please go to the Statewide Human Resources web page at the following link: http://alaska.edu/hr/whats-new-at-statewide/index.xml.

Maintenance Issues

Learning Management System
Requests for additional training courses to be deployed through myUA should come from the functional department that is responsible for the training content. Those requests can be made to ua-hris-helpdesk@alaska.edu.

Wellness Program Rebate Payout Changing
Employees (and spouses) who qualified for the FY19 wellness rebate by April 30 will see it as a lump sum payment in November 2018. This is a change from the current bi-weekly credit for the rebate. The goal is to simplify the process for payroll offices, and we’re seeing if a larger lump sum payout will incentivize more employees to participate in the program.

Update as of 7/18/18: Some employees are asking why their deduction for health care seems higher (without the reducing effect of the rebate it looks bigger), and/or they’re asking where their rebate is because they missed the communication about the change to a lump sum. We’re addressing these on an on-going basis, and will send reminders.

Annual Leave Cap
HR system will cap the annual leave rollover for FY19 at 240 hours (320 hours for IAFF union members) effective July 8, 2018. This allows employees to use annual leave on their timesheets through June 30th (as per BOR Policy) prior to the cap taking place.

Changes to Parking Deductions
Per direction from Myron Dosch, CFO, on 7/16/18, parking deductions will no longer be calculated as a pre-tax deduction. This is in response to changes to IRC 512(a)(7) at the beginning of calendar year 2018. All employees with active parking deductions will be changed to a post-tax deduction effective the pay period starting 7/8/18 (R16).
