HR Updates to Communicate
as of 11/16/18

Statewide Human Resources is striving to make improvements to the HR System, benefits and procedures to better help employees. Here is an update on system wide projects that are currently in process. We are working on the details of these projects and communication will be sent to those directly impacted prior to the effective date of the change. To see previous versions of this communication please go to the Statewide Human Resources web page at the following link: http://alaska.edu/hr/whats-new-at-statewide/index.xml.

Process Improvement Projects and Tasks

**EPAF Integration with OnBase**
Electronic Personnel Action Forms are currently emailed to HR offices and then manually transferred and indexed in Banner. This project will automatically transfer these notifications directly to OnBase.

*Update as of 11/16/18:* This project is on hold until the transition to Banner 9 has been completed.

**Accelerated Collection and Processing of New Hire Paperwork**
HR Representatives from each campus are working to speed up the gathering and entering of HR documents needed to establish new employees in the UA system. This will include assessing current processes, establishing new streamlined processes to be used by all campuses and implement new tools to collect data efficiently and securely.

*Update as of 11/19/18:* The team is meeting every two weeks to finish the creation and testing of the electronic forms used by new employees. We will meet with a representative from the software vendor in October and identified action items that will need to be completed before we can work on deployment of these forms through MyUA.

**Standardization of FML processing**
HR Representatives from each campus are working to improve and standardize the processing and tracking of Family Medical Leave across the UA system. This will include assessing current processes, establishing new streamlined processes to be used by all campuses and implement new tools to collect FML requests efficiently and securely.

*Update as of 11/14/18:* UAS IT has developed the initial phase of a prototype program to facilitate FML record entry and tracking. The team continues to provide weekly feedback as the development continues.

**Leadership Development**
President Johnsen in conjunction with the Board of Regents tasked SW HR to facilitate a needs assessment and to provide recommendations on developing a UA leadership and succession plan.
Update as of 11/13/18: The leadership development team is currently working with the campuses to determine what leadership program opportunities are currently being provided. The next step will be to gauge interest and feedback regarding the best method of delivery for a systemwide leadership program.

**Electronic Benefit Enrollment Forms**
Benefit enrollment forms for new employees is now available in electronic format. New employees may go to the SWHR Benefits website ([http://alaska.edu/benefits/](http://alaska.edu/benefits/)) to get access to the form. Employees must use their UA log-in information to access the form.

The electronic benefit enrollment for employees with life events is currently under development. Both forms will eventually be available in UAOnline.

Update as of 11/19/18: This project is on hold until the transition to Banner 9 has been completed. We anticipate work to resume on this project in December.

**Recruitment Alignment Project**
The goal is to improve the current recruitment process for departments, hiring managers and HR staff. We will be forming the steering committee and focus groups over the next several weeks.

Update as of 10/16/18: This project has been placed on hold in order to finish other projects that are in progress. Once resources are available, this project will continue.

**Retirement File Project**
The SWHR Information Systems group is working with the UA retirement vendors and outside consultants to revise the retirement contribution and eligibility file to meet industry standards. This will streamline internal processes and improve services to employees. It is expected that the file will be tested in September with implementation in October.

Update as of 11/16/18: HRIS staff is working with OIT and the retirement vendors on testing the file connections and validating test files.

**Performance Appraisal Improvement Project**
SWHR is working with the vendor to make improvements to the Performance Appraisal tool in MyUA. The goal is to streamline the process. Changes are expected to be implemented within the next couple of months.

Update as of 11/13/18: The vendor specialist was on site at the UA the last week of October. During that visit, training was provided and draft changes are underway.
Required Projects and Tasks

Banner 9 Upgrade
Banner upgraded to version 9 in October. This will impact all functional areas including HR, Finance, Student and Financial Aid. Training will occur early fall. Communication about training opportunities will be announced by each functional area. If you are interested, you can review the Banner 9 navigation training at the following link: http://edservices.elluciancloud.com/delivery/PublicOnDemand/B9QuickTour/bgen-B9-quick-tour.mp4

Update as of 11/19/18: HR continues to work with Ellucian to address outstanding issues. Errors reported by users are being addressed with EAS or Ellucian as appropriate. The reports to generate paper timesheets for employees and turnarounds are currently in the testing phase. Training videos for basic searches in Banner 9 are in development.

Faculty and Staff Compensation Equity Study
SWHR is in the process of creating an RFP to solicit a vendor to perform a faculty and staff salary and benefit market analysis. This was a project requested by President Johnsen and should be completed by the end of this fiscal year. It was announced in a memo from him on 11/27/17.

Update as of 11/19/18: Campuses to begin conducting the research and review of those identified as having a potential pay equity issue for staff, faculty, senior administrators and officers. Continuing reviewing 2 and 4-year faculty data and positions of those misaligned in the current market. Review faculty salary structure and guidelines. Continue to review staff salary structure and the remaining positions to get a holistic view of where the staff are within the market. Review executive salary and market guidelines and process.

RFPs for Healthcare, Pharmacy, Vision and Wellness
Requests for Proposals (RFPs) to be issued this fall for medical/dental, pharmacy, vision and wellness services. The healthcare, vision and pharmacy RFP will be issued in October, with the goal of having that done and notices of intent to award (NOITA) done in January. The Wellness RFP will be issued in October or November with NOITA no later than mid-January. Review committee includes representatives from UAF, UAA and SWHR and a representative of the Joint Health Care Committee (JHCC).

Update as of 11/13/18: The RFP was issued October 26. UAF Procurement received a request from a respondent to extend the due date a week, and approved the request. Responses are due Nov. 27 with the committee’s work beginning shortly thereafter. Wellness RFP should be issued by the end of November or first week of December.

Local 6070 Collective Bargaining Negotiation
The current collective bargaining agreement covering University crafts and trades employee expires December 31, 2018. The University will begin negotiations with union representatives this fall with the goal of reaching a new collective bargaining agreement.

*Update as of 11/16/18:* On hold.

**Maintenance Issues**

**Leadership Positions - updated 11/19/18**

**UA**
- Mark Kondrak has been named as the new Chief Information Technology Officer. Mark comes to us from his current role as CIO at Hamline University in St. Paul, Minnesota. Under his leadership, Hamline has become recognized as a digital transformation pioneer and recently received an inaugural Cloud Leadership Award. He regularly speaks on IT strategy and leadership, has been recognized as one of the country’s most innovative CIOs, and was recently named 2018 Twin Cities CIO of the Year in the public-sector category.
- Dustin Bryant will join the UA team on Dec. 3 as the Director of Federal Relations for the University of Alaska System and will be based in Washington, D.C. where he will work closely with our government relations team on critical federal issues including efforts to increase our land grant, federal investment at UA, and research-related priorities. Dustin comes to UA with more than 13 years of public policy and government relations experience. Bryant most recently served as the Assistant Director of Federal Relations for the Texas A&M University System in Washington, DC.

**UAF**
- UAF is working to start the recruitment process for the Chief Information Officer.

**Student Employment Procedures**

A team has been formed to review and update the current student employment procedures. HR and department staff are meeting monthly to discuss and resolve student employment issues so that consistent procedures are used throughout the UA system. This team is concentrating on how students are set up in Banner.

**Local 6070 Payroll Procedures**

A team has been formed to review and develop payroll procedures to implement the salary components found in the Local 6070 bargaining agreement. The goal is to document how earnings codes are used for Local 6070 employees in order to help employees complete timesheets correctly.

*Update as of 11/16/18:* This project is on hold until the transition to Banner 9 has been completed.

**Review of Service Date Usage in Banner**
There are a number of service dates that are tracked in Banner HR in order to assist in retirement and health eligibility reporting. A team has been formed to review the criteria for these dates, determine how they should be completed and write procedures so that all campuses are using these dates consistently.

**Update as of 11/16/18:** This project is on hold until the transition to Banner 9 has been completed.
