“Effective January 15, 2023

We are excited to announce that the Talent Acquisition team has implemented changes to make search committees optional for non-supervisory staff positions as well as term/non-tenure track faculty positions.

A few of the exciting changes:

For Non-Supervisory Staff:

- With the approval of the hiring authority or delegate, the hiring manager or designee may do the screening (minimum requirements, preliminary scoring, reference checks) on their own resulting in a more efficient process.*
- Hiring managers may choose to do the interviews on their own which will streamline the scheduling of interviews.*

For Term/Non-Tenure Track Faculty:

- With the approval of the Provost the hiring manager or designee may do the screening (minimum requirements, preliminary scoring, reference checks) on their own resulting in a more efficient process.*
- Hiring managers may choose to do the interviews on their own which will streamline the scheduling of interviews.*

Please review the [Search Committee Decision Matrix](#) which details out when a search committee may be optional as well as the new process.”
