It supplements and amends that SPD so you should retain a copy of this document with your copy of the SPD. If you have any questions, contact the Administrator. REQUIRED MINIMUM DISTRIBUTIONS. The law requires that retirement plans distribute funds at least as rapidly as specified in the required minimum distribution (RMD) rules. The Plan has been amended to conform to recent changes in those rules. The law now requires complete distributions to some beneficiaries of deceased participants within 10 years after participant's death. Additionally, distributions to a participant must generally begin by April 1 of the calendar year following the year the participant turns age 72 (or, in some cases, when the participant retires, if later). Previously, the age was 70 ½. For more information, see [IRS Publication 590-B](#).
