

Occupational Codes Crosswalk (State of Alaska) - January 2010

Below is a crosswalk of occupation codes that were converted by the State of Alaska in January 2010. The old codes (2000) were changed to the 2010 codes in Banner and UAKjobs (the previous recruitment system) at that time. The codes are used for unemployment reporting to the Department of Labor.

The occupation code is assigned by each campus HR office's recruitment area, who forwards the code to the campus Budget office. Budget enters the code in the NBAOSN Regulatory tab.

Refer to the *State of Alaska Coding Manual* for the full listing of current codes/descriptions at <http://live.laborstats.alaska.gov/erg/occmanual.pdf#page=25>
