

Preliminary Admissions, Course Registration and Billed Revenue

Fall 2024 Semester - August 20, 2024

This report compares activity 1 week prior to the start of Fall 2024 and Fall 2023 semesters, normalized relative to the first day of instruction for each term. Fall 2023 semester began August 28, 2023, and Fall 2024 instruction will begin August 26, 2024.

Course Registration

With 1 week to go before the start of Fall 2024 instruction, 16,868 students have registered for 162,762 student credit hours (SCH). This represents a 2.1 percent increase in headcount (344) and a 4.2 percent increase in SCH registration (6,499) year-over-year. Graphs displaying historical and current course registration patterns for headcount and SCH are provided on pages 6 and 7, respectively.

Students often utilize courses from more than one university to meet program requirements. For Fall 2024 semester, 4.3 percent of students (720) have cross enrolled in courses at more than one university, to date.

As of Tuesday, UAA headcount was 1.7 percent (159) higher and SCH 4.7 percent (4,078) higher than last year. Matanuska-Susitna College accounted for 30 percent (1,224) and Kenai Peninsula College for 28 percent (1,144) of overall UAA SCH growth to-date. Course registration trends reported for Anchorage Campus, UAA and the UA System are impacted by a business practice change removing Professional and Continuing Education (PACE) 500 level courses from the Banner system starting in 2024. Fall 2023 course registration data includes PACE course activity, accounting for 109 students and 338 SCH at this time last year.

UAF headcount increased 3.1 percent (191), with students registering in 4.1 percent (2,330) more SCH year-over-year. At UAF, the College of Natural Science and Mathematics accounted for 55 percent (1,291) and the College of Business and Security Management 23 percent (532) of overall UAF SCH growth this Fall.

At UAS, student headcount increased 3.9 percent (64), and student credit hour registration increased 0.7 percent (91) from Fall 2023. Gains of nearly 324 SCH at the School of Arts & Sciences more than balanced out declines observed at other campuses compared to Fall 2023.

For more information about course registration changes by campus and academic unit, see page 2.

Billed Tuition and Fees - Estimated Revenue

Total fall semester net tuition and fees billed to registered students, to date, is 6.5 percent (\$3.8M) higher this year than last. UAA billed net tuition and fees increased 5.7 percent (\$1.8M), UAF increased 8.5 percent (\$2.0M), and UAS 1.0 percent (about \$50,000) from Fall 2023. Additional billed tuition and fees detail by university and revenue category is available on page 3.

Applications

Over 13,000 applications have been initiated by prospective students for Fall 2024, up 20.3 percent (2,199) from Fall 2023. Increases were observed at UAA of 5.4 percent (357 applications), UAF of 50.6 percent (1,885 applications), and UAS of 3.5 percent (29 applications) over last year. Applications initiated by prospective first-time freshmen accounted for 61.0 percent of all initiated applications to-date, with growth of 8.1 percent (315 applications) at UAA, 98.6 percent (1,798 applications) at UAF, and 10.9 percent (47 applications) at UAS, year-over-year.

See pages 4 and 5 for more information about university applications, admissions, and enrolled majors to date for different groups.

Note: Information is preliminary. Fall 2023 semester instruction began Monday August 28, 2023 and Fall semester 2024 instruction begin Monday August 26, 2024. Comparable dates relative to each university's weeks to start of instruction are reported, and if not available the closest comparable date is selected. Registration for Fall 2024 semester started April 1, 2024, and registration for Fall 2023 started March 27, 2023. Headcount is unduplicated at the reporting level. Includes all for-credit course registration activity, regardless of a student's degree seeking status. Developmental, undergraduate, professional, and graduate level courses are included. Data is provided by UAA, UAF and UAS, extracted at 5pm on the report date from UA information systems. UAA's business practice for tracking Processional and Continuing Education (PACE) courses was adjusted starting with Summer 2024 semester and are no longer counted in Banner. This affects UAA School of Education, Anchorage Campus, UA Anchorage, and UA System totals.

Note: Information is preliminary. All applications recorded by each university are considered; some students apply to multiple programs and sometimes to multiple UA universities. Applications initiated by an individual may be pending information or may be complete and ready for consideration. Application/Acceptance count and Program Major count is unduplicated at the reporting level; summing over distinct university level counts may add to more than the system total because of double counting. To be counted as an enrolled program major, a student must have enrolled at the university delivering the program they were accepted into. Fall semester registration opened five days earlier in 2023 than in 2024. Fall 2023 instruction began Monday August 28, 2023 and Fall 2024 instruction will start Monday August 26, 2024. Comparable dates relative to each university's weeks to start of instruction are reported. Data is provided by UAA, UAF and UAS, extracted on the report date from UA information systems.
