

Preliminary Admissions, Course Registration and Billed Revenue

Fall 2024 Semester - July 23, 2024

This report compares activity 5 weeks prior to the start of Fall 2024 and Fall 2023 semesters, normalized relative to the first day of instruction for a given term. Fall 2023 semester began August 28, 2023, and Fall 2024 instruction will begin August 26, 2024. Trends are preliminary.

Applications

More than 12,090 applications have been initiated by prospective students for Fall 2024, up 21.8 percent (2,167 applications) from Fall 2023. Increases were observed at UAA of 5.8 percent (353 applications), UAF of 54.9 percent (1,888 applications), and UAS of 2.3 percent (17 applications) over last year. The subset of applications initiated by prospective first-time students account for 63.1 percent of application activity, to-date, with growth of 8.9 percent (331 applications) at UAA, 101.7 percent (1,782 applications) at UAF, and 8.6 percent (35 applications) at UAS, year-over-year.

See pages 4 and 5 for more information about university applications, admissions, and enrolled majors to-date for different groups.

Course Registration

With 5 weeks to go before the start of Fall 2024 instruction, 12,680 students have registered for 126,124 student credit hours (SCH) - a 4.0 percent increase in headcount (493 students) and a 4.7 percent increase in SCH registration (5,687 SCH) year-over-year.

Graphs displaying historical and current course registration patterns for headcount and SCH are provided on pages 5 and 6, respectively. Nationally, undergraduate headcount at public, baccalaureate granting institutions grew 1.2 percent and graduate level enrollment 3 percent, in the last year*.

As of Tuesday, UAA headcount was 5.8 percent higher (388 students) and SCH was 6.6 percent higher (4,268 SCH) than last year. Most UAA academic units have additional SCH registration for Fall 2024 compared to last year. Kenai Peninsula College accounted for 31 percent (1,314) and the College of Arts and Sciences accounted for 26 percent (1,115) of overall UAA growth in SCH registration.

UAF headcount increased 2.7 percent (131 students), with students registering in about 3.2 percent more (1,481) SCH year-over-year. Nearly all Troth Yeddha' academic units have additional SCH registration, beyond the level observed this time last year. Overall, course registration growth of more than 1,100 SCH at the College of Natural Science and Mathematics offset a decline of somewhat smaller magnitude at the Career and Technical College.

At UAS, student headcount increased 1.2 percent (13 students), and student credit hour registration declined nearly 1 percent (61 SCH) from Fall 2023. At Juneau Campus, the School of Education declined 20 percent (251) in SCH registration compared to last year. Sitka Campus decreased nearly 23 percent (377) in SCH registration year-over-year. Gains of almost 500 SCH at the School of Arts and Sciences partially balanced out these declines.

For more information about course registration changes by campus and academic unit, see page 2.

Billed Tuition and Fees - Estimated Revenue

Total fall semester net tuition and fees billed to registered students, to-date, is estimated to be about 6.1 percent (\$2.8M) higher this year than last. UAA billed net tuition and fees increased 7.4 percent (\$1.7M), and UAF increased by 5.8 percent (\$1.1M) over Fall 2023. Currently, UAS tuition and fee revenue decreased by 1.1 percent (\$0.04M) from Fall 2023. Additional tuition and fees detail by university and revenue category is available on page 3.

Note: Information is preliminary. Fall 2023 semester instruction began Monday August 28, 2023 and Fall semester 2024 instruction begin Monday August 26, 2024. Comparable dates relative to each university's weeks to start of instruction are reported, and if not available the closest comparable date is selected. Registration for Fall 2024 semester started April 1, 2024, and registration for Fall 2023 started March 27, 2023. Headcount is unduplicated at the reporting level. Includes all for-credit course registration activity, regardless of a student's degree seeking status. Developmental, undergraduate, professional, and graduate level courses are included. Data is provided by UAA, UAF and UAS, extracted at 5pm on the report date from UA information systems. UAA's business practice for tracking Processional and Continuing Education (PACE) courses was adjusted starting with Summer 2024 semester and are no longer counted in Banner. PACE student headcount and SCH have been removed from Fall 2023 data to normalize year-over-year trends. This affects UAA School of Education, Anchorage Campus, UA Anchorage, and UA System totals.

Note: Information is preliminary. All applications recorded by each university are considered; some students apply to multiple programs and sometimes to multiple UA universities. Applications initiated by an individual may be pending information or may be complete and ready for consideration. Application/Acceptance count and Program Major count is unduplicated at the reporting level; summing over distinct university level counts may add to more than the system total because of double counting. To be counted as an enrolled program major, a student must have enrolled at the university delivering the program they were accepted into. Fall semester registration opened five days earlier in 2023 than in 2024. Fall 2023 instruction began Monday August 28, 2023 and Fall 2024 instruction will start Monday August 26, 2024. Comparable dates relative to each university's weeks to start of instruction are reported. Data is provided by UAA, UAF and UAS, extracted on the report date from UA information systems.
