Jan. 11, 2018 Council Update

Work Done Dec. 13 – Jan. 3

- CCDC met via audio on Dec. 13 and discussed subcommittee updates. The CCDC will next meet Jan. 10 when the President's Feedback to the CCDC and other items will be discussed.
- Priscilla (CCDC rep to Academic Council rep) submitted the following question to the AC on Dec. 14:
 - With the potential increase of cross-campus programs, how can we address residence requirements for degrees and certificates that are university specific (i.e. UAA, UAF, UAS)? This ties into accreditation issues regarding the process of approval for programs that are accredited to specific universities.

Future CCDC Meetings Through February

- Jan. 10 audioconference
- Feb. 20-21 F2F in Anchorage.
