

Summit Team Update Re OEC courses and programs recommended for 25% discount

Paul Layer, Interim Vice President for Academic and Student Affairs

March 7, 2018

Preliminary Occupational Endorsement and Certificate Courses/Programs Identified

Based on recommendations from the provosts, below is a preliminary list of programs with courses eligible for the discount in AY 2018/2019. For most programs, all courses required for the OEC are included. Programs denoted by an asterisk (*) exclude courses that also meet GER requirements or contain upper division courses not covered by the discount. A complete list of courses is being prepared.
