## *Title IX December 2017 Highlights*

---

- Climate survey preliminary findings (internal use only until January 2018):
  - SEXUAL MISCONDUCT - 1 in 11 (9.4%) UA students experienced sexual misconduct.
  - SEXUAL ASSAULT - 1 in 30 (3.1%) UA students experienced sexual assault.
  - STALKING - 1 in 9 (11.7%) UA students experienced stalking.
  - DATING VIOLENCE - 1 in 12 (8.1%) UA students experienced dating violence.

Each university will outline any immediate actions for inclusion in the December OCR submission. The full climate survey report will be publicly released +/- Jan 15th.

- Planning is underway for spring 2018 student Title IX training.
- UA successfully met the Dec 1<sup>st</sup> VRA deadline and completed review and submission of 171 2014-2016 Title IX cases.
- On Dec 20<sup>th</sup> the university will submit the following VRA-mandated items to OCR:
  - Documentation of the statewide task force work
  - Case tracking and quarterly reporting
  - Employee and student training
  - University based student committee recommendations
  - Placement of students with other entities
  - Climate survey report and immediate actions
  - All 2016-2017 cases
