## *Title IX June 2018 Highlights*

---

- OCR approved the following UA submissions:
  - Action Item D1 – Title IX Training
  - Action Item I – Coordination with Local Law Enforcement
- The Title IX team is working on VRA “Action Item M: New Complaints” full case file preparation and review for 2017-2018.
- 85% of students and 96% of employees in the defined cohorts completed Title IX training in this fiscal year. UA entered a one-year contract with Everfi for student Title IX training; this provides a refresher training for students that already completed the longer Title IX training. Employees will also have a refresher option.
- The Title IX team established and is implementing a Title IX records retention schedule.
- UAF is in the hiring process for three investigators and UAA is in the hiring process for two investigators.
- September 1<sup>st</sup> is the next published VRA reporting deadline. “Action Item A: Title IX Coordinators” requirements are due.
