Member update to the UA Summit Team

The System-wide Council on Research have met twice since our establishment; both meetings were focused upon discussions of our role and purpose, which we attempted to articulate in our Charter. Preliminary discussions involved exploring the actions required for effective research administration. The comprehensive discussion of administrative functions was parsed according to those duties that both share common concerns across all Alaska universities and would benefit from jointly addressing those topics.

Our charter was created through discussion and collaborative revisions. It remains as a strategic document that will be continually updated as needed.

The SW Council on Research will meet on a monthly basis. Future topics of discussion include:

- Demonstrating the value of research to Alaskan citizens and legislators
- Promoting joint use of research facilities to maximize productivity and efficiency

Our next scheduled meeting will be September 13, 2:00pm.
