

Looking for Financial Aid?

Enroll in any program for financial aid eligibility

Financial aid is available for new and returning students. Many scholarships and financial aid options do not require full-time student status, but nearly all require the student to be enrolled in a degree or certificate program. With over 400 programs to choose from, and 16 campuses Statewide, the University of Alaska can truly help students get the financial support to go to college and get in the program that meets their needs.
