1. Welcome Mayra Lopez-Gonzales pronounced Mida-like 'I mighta been there'….

2. Deferred Action Childhood Arrival-how to code in GOAINTL. What is their residency status?

3. Send this issue to the NRA workteam-do we need a code for GOAINTL? Libby will attend the next NRA workteam meeting and will send Peggy an invite as well.

4. Reminder to approve the 'How to apply' language at UAOnline in LRGP. Need to send the verbiage to Russell again since LRGP has been refreshed. Mockup from our meeting is attached in this email.

5. Fran- question about expiring programs. Done differently at each MAU. UAA codes SAAADMS with an expired admission code. UAF controls this by not by not assigning a PIN to anyone who has been out for 5 years or more which causes the student to reapply or complete the non-degree app or reg form in order to register. Charese suggested two reports SGR2STD and SGR2EXP that can be run to check for your active students.

Next meeting will be Monday, July 1st @ 10:00am.
