V.   BST Report

Addition of DUPL code to SCADETL TR submitted by Jan was presented an approved by all MAUs at the last BST meeting.   May not be worked on by programmers until after Banner 8 implementation (November). From Jane: "New task requests that are not deemed urgent by the BST will not be worked on by the programmers until November 09 at the earliest.   It will depend on the priorities set by the BST."

*Clarification: This is an addition to element 3 (not 2, as stated in the meeting) of the Supplemental Data tab in SCADETL.
