

CTAM:

October 21, 2014

Trisha, Mae, Mel, Matt, Jane, Barbara, and Lora in attendance.

- CTAM Grade Upload- no updates. Will try for first time at end of term.
- SOC Changes- nothing new.
- Airforce personnel will only be able to change major once before they lose tuition assistance. Airforce considers CCAF as Associates. Certificates need to be related to workfield. They should be referred to educational service officers to see if TA will pay. Came out on 10/1. Pre-majors/majors aren't a change of major. Deadline for putting in portal info has been put back an entire year. New AFI out, haven't got copy yet. Lots of changes in AI Portal- stay tune.
- Residency interface flag in GAE. Find language for case (UAA & UAF to do).
- Dates for CTAM Upload. November 10th for spring. March 16, 2015 for summer.
- CCME Meeting is last week in January. Mel will attend and keep us posted.
