

The REAL ID Act Deadline has been extended to 10/01/2021

The REAL ID Act establishes a minimum security standard for license issuance and production and prohibits Federal agencies from accepting other driver's license or identification cards that do not meet the Act's minimum standard.

REAL IDs will be required for travel, specifically to get through TSA airport security, on October 1, 2021. We are encouraging everyone to be prepared sooner than later.

You can get a REAL ID compliant license or ID from your local DMV. If you are unable to get the REAL ID before the deadline, you can also use a US passport.
